Resident Guidelines

As a recipient of the Adopt-a-Neighbor services, there are expectations that both you and your volunteer should meet. Please review and follow these guidelines to help make the Adopt-a-Neighbor program successful.

You can expect your volunteer to:

- Shovel your front sidewalk and clear the path to your front door. Volunteers are not obligated to shovel your driveway. If you want your driveway cleared, we will attempt to match you with a volunteer willing to do so and/or you can ask your volunteer directly.
- Shovel your sidewalk within 24 hours after a snowstorm ends. Please remember that many volunteers have jobs and may need the full 24 hours to shovel your walk.
- Shovel your sidewalk only after a significant snowfall that won't melt within 24 hours.
- Rake and bag leaves in the front and/or back of your home, as you and your volunteer agree. Volunteers are not responsible for providing bags for leaf disposal, only for raking and bagging.
- Mow your lawn as you and your volunteer agree – e.g., once a week, every other week, front and back yards, etc.

As a recipient of this service, you should:

- Call Neighborhood Services at (801)253-5203 ext.1271 if someone other than your volunteer shovels your walk, rakes or mows so we can save your volunteer a trip.
- Provide bags for your leaves and arrange to have leaves hauled away.
- Provide a lawn mower for your volunteer if one is needed.
- Thank your volunteer.

As the recipient of this service, you should not:

- Invite the volunteer into your home, for your safety and his or hers. You may, however, send cookies, hot chocolate or other goodies home with your volunteer.
- Pay your volunteer. This is a volunteer program and your volunteer is doing this for the satisfaction of serving neighbors in need.
